A message from Rep. Sean Patrick Maloney

HAVE AN OPINION ON THE HUDSON RIVER
ANCHORAGES PROPOSAL?

**MAKE YOUR
VOICE HEARD!**

Rep. Maloney will deliver comments
to the Coast Guard from Hudson
Valley residents.

Mr. Brodheim,

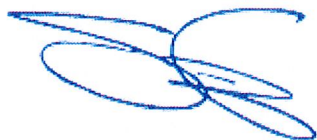

In June, the Coast Guard submitted a proposal to allow ten new anchorage sites to be built along the Hudson River from Yonkers to Kingston. I believe that this proposal is a disaster which puts our families, communities, and ecosystems at unnecessary risk.

I worked with the Coast Guard to extend the comment period until December 6th, so I'm writing you today to remind you that you have an opportunity to make your voice heard.

Hudson Valley residents can directly express their opinion to me by clicking [here](#) or by filing electronically with the Coast Guard by clicking [here](#). I will deliver your concerns directly to the Coast Guard before the December deadline to ensure all my neighbors have local input before they make a decision.

Please feel free to contact me if you have questions or concerns.

Sincerely,

Sean Patrick Maloney
